STATEMENT OF PROBABLE CAUSE
(For issuance of an arrest warrant or summons)

I state that on May 16, 2022, at approximately 1330 hours while exercising my duties as a law enforcement officer in the Federal District of Arizona on the Coconino National Forest I was notified by Fire Dispatch that a male was in the area of the Wilson Fire and firefighters on scene were requesting law enforcement to have him removed.

Firefighter A. BAKER was on scene with her team of 6 firefighters and had just been flown into a remote, roadless area of the Coconino National Forest when a male came out of the woods waving his arms and frantically running into the landing zone of the helicopter. According to BAKER, the male stated that he was being chased and shot at, and that he needed help. BAKER and the six firefighters diverted from fighting the fire and focused their attention on the male, later identified by AZ ID card as Jose VILLASENOR for over 15 minutes while trying to calm him down and get an idea if he or they were in danger. Due to the behavior of VILLASENOR, BAKER contacted Fire Dispatch and asked for a law enforcement response to be flown into the fire area to control and remove VILLASENOR so that she and her team could return to fighting the fire.

While working with Coconino County to muster a response, I was contacted by a fire employee who stated that after getting VILLASENOR calmed down, the pilot, a Hela-Tac and VILLASENOR were flying to the Sedona Airport. According to BAKER, the flight to remove VILLASENOR removed the Hela-Tac employee from their responsibilities on the fire for over 45 minutes to travel with VILLASENOR as he could not be flown with just the pilot.

I arrived at the Sedona Airport and contacted VILLASENOR just as he was medically cleared by EMTs from Sedona Fire Department. VILLASENOR was arrested for interfering with the fire crew fighting the Wilson Fire.

The foregoing statement is based upon:
